1. Purpose

- a. These Guidelines are to be used to provide Tournament-specific guidance. The 2017 PPWSL Rules, as supplemented by the 2017 ASA rules, are to be used, unless otherwise superseded by provisions contained herein.

- c. Game intervals: 105-minutes (1-hour 45-minutes) between game start times, unless otherwise noted
- d. Duration of game: 7 innings or 90-minutes (1-hour 30-minutes) after game start time, whichever comes first. No new inning to start after 90-minutes from posted start time for all games except the championship game(s), unless otherwise noted; see tie-breakers below.
 - i. Game cut off time for the championship game(s) to be 7:30pm (sunset is approximately 7:35pm on 8/27/16)
- e. Format: The planned tournament is for a two-day, double-elimination seeded tournament on up to three fields
 - i. Bad weather alternate: one-day, single-elimination seeded tournament on up to three fields, see item 3, below
- f. Forfeit time: 5 minutes after game start time. It is necessary to start games on time to accommodate tie-breakers, if needed.
- g. Warm-ups: Warm-ups will be held prior to each game only if time allows before designated game start time. If time is available, each time is to have approximately the same amount of time on the field. Visiting Team goes onto the field first, followed by the Home Team. The Home Team may stay on field for start of game if it desires.
 - i. Teams may also warm up on fields not in use for scheduled Tournament play or in the outfield spaces between the Fields as long as games in use for scheduled Tournament play are not obstructed
- h. Tie-breakers (Adapted from ASA rule 5, section 11)
 - i. If, *after the completion of seven (7) innings of play and before the game cut-off time*, the score is tied, teams are to continue play as follows:
 1. Starting with the top of the eighth inning, and in each half inning thereafter (as needed), the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective inning being placed on second base (e.g., if the number seven batter is the lead off batter for that inning, the number six batter in the batting order will be placed on second base).
 2. Play will continue with each complete inning with no new inning beginning *after the game cut-off time or until the tie is broken*, whichever comes first. If the game is still a tie at that time, teams are to vacate the field and benches to allow the next game (if any) to proceed. The winner is the team that was higher in the overall season standings.
 - ii. If, *before the completion of seven (7) innings of play*, the game is tied *at the game cut-off time*, teams are to continue to play a single, additional inning as follows:
 1. Starting with the top of the additional inning, and in the bottom half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective inning being placed on second base (e.g., if the number seven batter is the lead off batter for that inning, the number six batter in the batting order will be placed on second base)
 2. If the game is still a tie after that single inning, teams are to vacate the field and benches to allow the next game (if any) to proceed. The winner is the team that was higher in the overall season standings.

- i. Home Teams: Are determined by the rankings (seeds) based on overall season standings. The team with the highest ranking is the Home Team in each game, up to and including the final. The final overall standings must be distributed by Friday, 8/25/17, at the latest.

 3. If they tied in head-to-head play or if they tied in head-to-head run-differential, the winner is the team with the greater run differential for the season (season run-differential).
 4. If the season run-differential is the same, a coin toss will take place.
